RE: Traffic Calming in the 5000 Block of Fox Street

The Mayor and Council of the City of College Park held a Public Hearing on Tuesday, December 8, 2020 to take public comment on the petition request to install a traffic calming device (speed hump) in the 5000 Block of Fox Street.

Following the Public Hearing, the Mayor and Council approved the installation of a traffic calming device on this block, to be located at the discretion of the City Engineer. The City Engineer anticipates installation will be completed next spring, dependent on the weather.
